(a) _____ **"physical meeting"** means a general meeting held and conducted by physical attendance by members and proxies at a particular place (or, if the directors specify one or more satellite meeting places in accordance with article 58, at particular places);

(b) _____ a **"hybrid meeting"** means a general meeting held and conducted by both physical attendance by members and proxies at a particular place (or, if the directors specify one or more satellite meeting places in accordance with article 58, at particular places) and by members and proxies also being able to attend and participate by electronic means without needing to be in physical attendance at that place (or places).

(2) _____ The directors may decide in relation to any general meeting (including a postponed or adjourned meeting) whether the general meeting is to be held as a physical meeting or as a hybrid meeting (and shall, for the avoidance of doubt, be under no obligation to convene a meeting as a hybrid meeting whatever the circumstances).

(3) _____ The directors may make such arrangements as they may (subject to the requirements of the Acts) decide in connection with the facilities for participation by electronic means in a hybrid meeting, and the entitlement of any member or proxy to attend the general meeting, or to participate in it by electronic means, shall be subject to such arrangements. In the case of a hybrid meeting, the provisions of these articles shall be treated as modified to permit any such arrangements and in particular:

(a) _____ references in these articles to attending and being present at the meeting, including in relation to the quorum for the meeting and the right to vote at the meeting, shall be treated as including participating in the meeting by electronic means;

(c) _____ the meeting shall be treated as having commenced if it has commenced at the physical place (or places) specified in the notice of the meeting;

(d) _____ the meeting shall be duly constituted and its proceedings valid if the chairman of the meeting is satisfied that adequate facilities have been made available so that all persons (being entitled to do so) attending the hybrid meeting by electronic means, may participate in the business of the meeting, but under no circumstances shall the inability of one or more members or proxies to access, or continue to access, the facilities for participation in the meeting despite adequate facilities being made available by the Company, affect the validity of the meeting or any business conducted at the meeting;

(e) _____ all resolutions put to members at a hybrid meeting, including in relation to procedural matters, shall be decided on a poll;

(f) _____ the directors may authorise any voting application, system or facility in respect of the electronic platform for the hybrid general meetings as they may see fit; and

(g) _____ if it appears to the chairman of the meeting that the electronic facilities for a hybrid meeting have become inadequate for the purpose of holding the meeting then the chairman of the meeting may, with or without the

consent of the meeting, adjourn the meeting (at any time before or after it has started), the provisions in article 60 shall apply to any such adjournment and all business conducted at the hybrid meeting up to the point of the adjournment shall be valid.

- (5) An adjourned general meeting or postponed general meeting may be held as a physical meeting or a hybrid meeting irrespective of the form of the general meeting which was adjourned or postponed.
